

Dev Samaj College for Women, 45B, Chandigarh

Feedback Report (2016-2017)

Feed Back

Feedback from students : The Feedback was taken from students on the teacher's performance. On the whole students expressed extreme happiness over the academic environment of the college. They were generally happy with the facilities provided to them in the college. They suggested that an auditorium should be built in the college. The students have a perpetual complaint of the college gate opening facing the village Burail (area being used for commercial activities very congested and polluted).The students want library facilities to be extended.

Feedback from the Alumni : The feedback was taken with the help of questionnaire. The alumni appreciated the progress made by the college in academics and co-curricular aspects. They also suggested course that can be started in the college like MBA, MCA, MA sociology and MA Political Science etc. They felt that the college should build an auditorium. The Alumni Meet is being held in the college annually.

Feedback from the parents : Feedback was taken from the parents with the help of questionnaire. The parents were also happy with the academic progress shown by their wards and their overall growth because of participation in various co curricular activities. They were happy with the infrastructure and other facilities provided by the college to their wards. They felt that the college should start more vocational and post graduate course. They expressed their displeasure at the garbage bins located on the both side of the college and urged the college authorities to take-up the matter with the Chandigarh Administration and find a solution to the problem. They expressed their happiness at the initiative taken by the college to celebrate Mat-Pita Santan divas. Regular parent teacher meet is being held for discussing progress of student especially of weak students.
